

# **ADDENDUM #2**

## **PENNSYLVANIA TURNPIKE COMMISSION**

### **Request for Concepts/Solutions (RFCS)**

#### **Mon/Fayette Expressway and Southern Beltway Public-Private Partnership(s)**

*Date of Issuance (Addendum #2)  
12/31/08*

**Prospective Respondents: You are hereby notified of the following information in regard to the referenced RFCS:**

Following are answers to questions regarding the RFCS that have been submitted through the P3 website. General comments or questions that were received on how to download certain information from the website are not included below.

1. Can you provide toll revenue for the latest 12 months and average annual rate of change for Findlay Connector and for M/F I-70 to Large, PA?  
**Answer:** No additional traffic and revenue information beyond what is included on the P3 website will be provided. A chart containing the Traffic and Revenue for Completed Projects dated September 17, 2008 is provided on the P3 website.
2. Can you provide a copy of the submitted bids that won the original concession, i.e. the Abertis/Citi proposal?  
**Answer:** The Pennsylvania Turnpike Commission did not issue the RFP in question nor was the PTC given copies of the proposals.
3. Will the list of attendees who attended the Public Informational Meeting be provided?  
**Answer:** The list of attendees was posted on the P3 website on 9/23/08.

#### **REMINDER**

Per Addendum #1, the response date referenced in the second paragraph of the "Process" section of this RFCS has been extended and revised as follows: **The submittal must be received by 12:00 pm (noon), local time, January 15, 2009.** Firms interested in providing responses are invited to submit ten copies of their Concepts/Solutions to Mr. Donald S. Klingensmith, P.E., Manager, Contracts Administration at the PA Turnpike Commission Administration Building located at 700 South Eisenhower Boulevard, Middletown, PA 17057 (street address). Our mailing address is P.O. Box 67676, Harrisburg, PA 17107-7676.

All other terms, conditions and requirements of the original RFCS dated September 17, 2008 remain unchanged unless modified by this or any other Addenda.
