

It's all part of **TRIP** - the **Turnpike Roadway Information Program**. TRIP gathers information through automated data and video feeds from the Turnpike's 24/7 Traffic Operations Center along with information from roadway crews, police, and emergency responders and delivers it to you via the Turnpike's Interactive Travel Web Map, service plaza message boards, the toll-free telephone call-in advisory system, and the automated Preferred Traveler e-mail and text message notification systems.

The Pennsylvania Turnpike Commission is committed to distributing complete, accurate and consistent travel information and providing exceptional customer service. Visit the PA Turnpike web site at **www.paturndpike.com** or call **866.976.TRIP** and be in the know before you go.
