GENERAL INFORMATION

I-1. Purpose. The Pennsylvania Turnpike Commission (Commission) seeks to retain the services of one or more law firms experienced in municipal bond financing, securities laws and taxation related to municipal bond financings to serve as bond, special, underwriter’s and disclosure counsel (Counsel). Through this Request for Qualifications (RFQ) process, the Commission seeks to appoint a pool or pools of law firms which will be available to serve as bond, special, underwriter’s or disclosure counsel as needed from time to time. Please note that inclusion in the pool does not guarantee or provide assurances that a law firm will be selected to serve as Counsel on a Commission public finance transaction.

This RFQ provides interested firms with sufficient information to enable them to prepare and submit statements of qualification for consideration by the Commission to satisfy a need for Counsel. Firms wishing to be considered for inclusion in a pool as Counsel should respond to this RFQ in all respects. Firms should identify whether they wish to be considered for qualification as lead counsel and/or co-counsel. The Commission reserves the right, in its sole discretion, to select a firm to serve as lead counsel, counsel or co-counsel.

The Commission also reserves the right to retain a law firm(s) to serve as Counsel which is not included in the pool(s). Such selection may be based on the public finance transaction’s complexity, size and such other factors as the Commission deems, in its sole discretion, relevant to a particular financing.

Note following the creation of the pool(s), the Commission reserves the right, in its sole and absolute discretion, to add or remove firms from the pool(s) at any time. The Commission also reserves the right, in its sole and absolute discretion, to select Counsel from any pool(s) or from outside the pool(s) to serve as Counsel on a Commission public finance transaction.

I-2. Background.

A. The Turnpike System

The present system is composed of the following: a 359 mile Turnpike Mainline traversing the southern portion of Pennsylvania from east to west; a 110 mile north-south section identified as the Northeast Extension; a 16 mile north-south connection, known as the Beaver Valley Expressway which intersects the Turnpike Mainline in the southwestern portion of the Commonwealth; the 13 mile Amos K. Hutchinson Bypass, which adjoins the Turnpike Mainline near the New Stanton Interchange; a 48-mile section of the Mon/Fayette Project; and a six mile section of the Southern Beltway project from PA 60 to US 22.

The Pennsylvania Turnpike System has a total of 67 interchanges which connect it with major arteries and population centers in its 552 mile traffic corridor. Thirty-two of the interchanges are located on the Turnpike Mainline, including Turnpike Mainline barriers at the New Jersey and Ohio state lines, and 10 interchanges are situated on the Northeast Extension. The additional 25 interchanges are located on the three extensions previously noted. There are 17 service plazas along the Pennsylvania Turnpike System providing gasoline and diesel fuel, other automotive supplies and services, and restaurant services.
B. **Financial Condition and Outlook**

As of June 2014 the Commission had over $9.4 billion in long-term debt, issued under four separate indentures. Outstanding debt and debt ratings are as follows:

Toll revenue for the fiscal year ended May 31, 2013 exceeded $811 million, and is expected to increase in FY 2014 due to toll increases that were implemented in January 2013 and 2014. The Commission also receives revenue annually from the Commonwealth from oil company franchise taxes and motor license registration fees totaling approximately $100 million.

C. **Capital and Financing Plan**

The Commission prepares a ten-year capital plan and financing plan which shows anticipated funding sources, including Commission funds and revenue bonds. The capital plan currently addresses projects estimated at approximately $6.5 billion scheduled for construction through fiscal year 2024.

D. **Enabling Statutes**

On July 18, 2007, Pennsylvania Governor Edward G. Rendell signed Act 44 into law, creating a “public-public partnership” between the Commission and PennDOT to provide funding for roads, bridges, and transit throughout the Commonwealth, thus greatly expanding the Commission’s previous focus on operating and improving the Turnpike. Under Act 44, a Lease and Funding Agreement was entered into between the Commission and PennDOT. The Funding Agreement contains certain provisions dealing with various items including, among other things, the payment by the Commission of annual payments to PennDOT, and the issuance of special revenue bonds by the Commission.

Act 44 and the Funding Agreement require the Commission to submit an annual financial plan to the Secretary of the Budget on or before June 1 of each year that describes the Commission’s operating and capital expenditures, borrowings, liquidity and other financial management covenants and policies, estimated toll rates and all other revenues and expenditures for the ensuing fiscal year. Act 44 provides that the financial plan shall demonstrate that the operation of the Commission can reasonably be expected to generate sufficient funds to make payments to PennDOT pursuant to the Funding Agreement and Act 44 during the ensuing and future fiscal years. The most recent Act 44 Financial Plan can be found at [www.paturnpike.com](http://www.paturnpike.com) under the Financial/Planning-Investor Relations link.
On November 25, 2013, Act 89 was enacted to provide substantial additional and sustained investment in the Commonwealth’s aging transportation infrastructure. Act 89 also enacted substantial revisions to the Commission’s transportation funding obligations under Act 44 and authorized the Commission and PennDOT to immediately amend the Act 44 Funding Agreement to reflect the statutory provisions of Act 89. The Commission and PennDOT have executed an amendment to the Act 44 Funding Agreement (the “Act 89 Amendment” and together with the Act 44 Funding Agreement, the “Amended Funding Agreement”). The Amended Funding Agreement will terminate on October 14, 2057.

I-3. Issuing Office. This RFQ is issued for the Commission by the Office of the Chief Counsel. All questions regarding this RFQ must be directed to the Commission pursuant to the process identified in Section I-8 below. No questions will be addressed except through such process.

I-4. Scope. I-5. Problem Statement.

A. General Description

The Commission is soliciting statements of qualifications from law firms for the purpose of creating a pool or pools of potential firms to serve as bond, special, underwriter’s and disclosure counsel from which the Commission may select for individual public finance transactions. Such selection may be made with or without the issuance of a subsequent Request for Proposals with respect to a specific public finance transaction.

The Commission reserves the right to select firms as bond counsel, co-bond counsel, disclosure counsel or underwriter’s counsel that are not in a particular pool – such selection may be based on proprietary products, ideas presented to the Commission, transaction size and such other factors as the Commission deems relevant to a particular public finance. The Commission intends to select those firms that best meet the Commission’s selection criteria, as identified in Section III-3 of this RFQ. Note that following the creation of the pool(s), the Commission reserves the right, in its sole and absolute discretion, to add or remove firms from the pool(s), to move firms among pool(s), to select firms from any pool(s), or to select firms from outside any pool(s) at any time as circumstances may arise or warrant on each public finance transaction.

5. Preparation and review of documents necessary or appropriate to the authorization, issuance, sale and deliver of the bonds, coordination of the authorization and execution of these documents, and review and, where appropriate, drafting enabling resolutions;
6. Assisting the Commission in seeking from other governmental authorities any approvals, permissions, and exemptions necessary or appropriate in connection with the authorization, issuance, sale or delivery of the bonds;
7. Reviewing legal issues relating to the structure of the public finance transaction;
8. Reviewing or preparing those sections of the offering documents to be disseminated in connection with the sale of the bonds that relate to the bonds, financing documents, bond counsel opinion, and tax exemption;

Unless Respondents are otherwise notified by the Commission, the time for submission of responses shall remain the same.

I-11. Statements of Qualifications. To be considered, Respondents should submit a complete response to this RFQ, using the format provided in PART II. Each Statement of Qualifications should be submitted in eight (8) copies to the Contract Administration Department. No other distribution of Statements of Qualification will be made by the Respondent. Each page should be numbered for ease of reference. An official authorized to bind the Respondent to its provisions must sign the Statement of Qualifications. If the official signs the Statement of Qualifications Cover Sheet (Appendix B to this RFQ) and the Statement of Qualifications Cover Sheet is attached to the submission, the requirement will be met.

Each and every Respondent submitting a Statement of Qualifications specifically waives any right to withdraw or modify it, except as hereinafter provided. Statement of Qualifications may be withdrawn by written or fax notice (fax number (717) 986-8714) received at the Commission’s address for Statement of Qualifications delivery prior to the exact hour and date specified for Statement of Qualifications receipt.
However, if the Respondent chooses to attempt to provide such written notice by fax transmission, the Commission shall not be responsible or liable for errors in fax transmission. A Statement of Qualifications may also be withdrawn in person by a Respondent or its authorized representative, provided his/her identity is made known and he/she signs a receipt for the Statement of Qualifications, but only if the withdrawal is made prior to the exact hour and date set for Statement of Qualifications receipt. For submissions, the body of the proposal shall not exceed twenty (20) pages of 12 point type, excluding required tables and appendices.

I-13. Statement of Qualifications Contents. Statements of Qualifications will be held in confidence and will not be revealed or discussed with competitors, unless disclosure is required to be made (i) under the provisions of any Commonwealth or United States statute or regulation; or (ii) by rule or order of any court of competent jurisdiction. All material submitted with the statement becomes the property of the Commission and may be returned only at the Commission’s option. Statements of Qualifications submitted to the Commission may be reviewed and evaluated by any person other than competing Respondents at the discretion of the Commission. The Commission has the right to use any or all ideas presented in any response. Selection or rejection of the responding firm does not affect this right.

In accordance with the Pennsylvania Right-to-Know Law (RTKL), 65 P.S. § 67.707 (Production of Certain Records), Respondents shall identify any and all portions of their Statement of Qualifications that contains confidential proprietary information or is protected by a trade secret. Statements of Qualifications shall include a written statement signed by a representative of the company/firm identifying the specific portion(s) of the response that contains the trade secret or confidential proprietary information.

Respondents should note that “trade secrets” and “confidential proprietary information” are exempt from access under Section 708(b)(11) of the RTKL. Section 102 defines both “trade secrets” and “confidential proprietary information” as follows:

Confidential proprietary information: Commercial or financial information received by an agency: (1) which is privileged or confidential; and (2) the disclosure of which would cause substantial harm to the competitive position of the person that submitted the information.

Trade secret: Information, including a formula, drawing, pattern, compilation, including a customer list, program, device, method, technique or process that: (1) derives independent economic
value, actual or potential, from not being generally known to and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use; **and (2)** is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. The term includes data processing software by an agency under a licensing agreement prohibiting disclosure.

65 P.S. §67.102 (emphasis added).

The Office of Open Records has determined that a third party must establish a trade secret based upon factors established by the appellate courts, which include the following:

- the extent to which the information is known outside of his business;
- the extent to which the information is known by employees and others in the business;
- the extent of measures taken to guard the secrecy of the information;
- the value of the information to his business and to competitors;
- the amount of effort or money expended in developing the information; and
- the ease of difficulty with which the information could be properly acquired or duplicated by others.

The Office of Open Records also notes that with regard to “confidential proprietary information the standard is equally high and may only be established when the party asserting protection shows that the information at issue is either ‘commercial’ or ‘financial’ and is privileged or confidential, and the disclosure **would** cause substantial competitive harm.” (emphasis in original).

For more information regarding the RTKL, visit the Office of Open Records’ website at [www.openrecords.state.pa.us](http://www.openrecords.state.pa.us).

**I-14. Debriefing Conferences.** Respondents whose firms are not selected will be notified of the name of the selected respondents and given the opportunity to be debriefed, at their request. The Issuing Office will schedule the time and location of the debriefing. The Respondent will not be compared with other respondents.

**I-15. News Releases.** News releases pertaining to this project will not be made without prior Commission approval, and then only in coordination with the Issuing Office.

**I-16. Term of Appointment.** The Commission intends that the pool(s) established pursuant to this RFQ will remain in effect for a term of three (3) years with an option of one year extensions until such time that the Commission chooses to dissolve and/or reconstitute the pool(s).

**I-17. Respondent’s Representations and Authorizations.** Each Respondent by submitting its Statement of Qualifications understands, represents, and acknowledges that:

a. All information provided by, and representations made by, the Respondent are material and important and will be relied upon by the Issuing Office in establishing underwriting pools. Any misstatement, omission or misrepresentation shall be treated as fraudulent concealment from the Issuing Office of the true facts relating to the submission of this Statement of Qualifications. A misrepresentation shall be punishable under 18 Pa. C.S. § 4904.
b. To the best knowledge of the person signing the proposal for the Respondent, the Respondent, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four (4) years been convicted or found liable for any act prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to bidding or proposing on any public contract, except as disclosed by the Respondent in its Statement of Qualifications.

c. To the best of the knowledge of the person signing the proposal for the Respondent and except as otherwise disclosed by the Respondent, the Respondent has no outstanding, delinquent obligations to the Commonwealth including, but not limited to, any state tax liability not being contested on appeal or other obligation of the Respondent that is owed to the Commonwealth.

d. The Respondent is not currently under suspension or debarment by the Commonwealth, or any other state, or the federal government, and if the Respondent cannot certify, then it shall submit along with the Statement of Qualifications a written explanation of why such certification cannot be made.

BOND, SPECIAL, UNDERWRITERS AND DISCLOSURE COUNSEL

Prospective Respondents: You are hereby notified of the following information in regard to the referenced RFP:

Following are the answers to questions submitted in response to the above referenced RFP as of Tuesday June 24, 2014. All of the questions have been listed verbatim, as received by the Pennsylvania Turnpike Commission.

1. Section C asks that we submit a cover letter and executive summary of no more than two pages. Are the cover letter and executive summary excluded from the 20-page limit?

   Yes

2. Section F asks for a copy of each bond team member’s resume. Are resumes included in the 20-page limit, or can they be submitted as an appendix?

   The resumes can be submitted as an appendix.

3. In Part II- 1. G. Relevant Experience, line 11, the RFQ states, “Identify the dates of the transaction, type of transactions, names of issuers, par amount of borrowings, description of the projects, the firm’s role in the transactions, and whether the transactions were taxable or tax-exempt.” In the RFQ response, what scope of transactions are to be included to satisfy this requirement? Does it refer only to the transactions listed in response to line 10 immediately above regarding experience with traditional and alternative short term financing instruments, or does it refer to all transactions as listed in response to lines 1-10 above in the Part II- 1. G. Relevant Experience section?

   This question refers to all transactions.

4. Is there a limit on the number of team members we can include in our RFQ response?

   There is no limit to the number of team members you can include.

5. Identify key members of the firm’s bond team including but not limited to the lead attorney, tax partner and municipal securities partner and where they are admitted to practice. A copy of each bond team member’s resume should be provided. Is this question asking us to send a list of our entire bond group firmwide or just the team members we plan to list for this RFQ?

   Please identify key members of the firm’s bond team that will be assigned to the Commission's transactions.
6. For the proposed personnel, provide a list of five clients worked within the last 36 months; a brief description of the type and size of transaction and the services you provided; and the names, titles, addresses and telephone numbers of the government officials primarily responsible for the transactions. You should only list clients and transactions which are similar to financings contemplated by the Commission (i.e., taxable or tax-exempt new money issues, variable rate financings, refundings, derivatives, etc.); Regarding the above question, will each team member need to provide a list of five clients worked on in the last 36 months or is it five clients total for the team?

Please list 5 clients that the ‘team’ worked on.

Identify the dates of the transaction, type of transactions, name of issuers, par amount of borrowings, description of the projects, the firm’s role in the transactions, and whether the transactions were taxable or non-taxable. Are questions above related? If so, should we go back 5 years to pull the requested information or another period of years.

All other terms, conditions and requirements of the original RFQ dated June 13, 2014 remain unchanged unless modified by this Addendum.
