2. Addendum Condition 2
A. Approximate count of digital SDS’s is 100. (Electronic inventory is in process.)
B. Five (5) administrative users are estimated.
C. Approximately 170 sites required; expected to be reduced over the next three (3) years.
D. No current SDS software management system or database is in use or in place.
E. Digital copies of all SDS’s currently filed electronically will be provided to the awarded bidder. An estimated 500-1,000 SDS’s are needed, and the quantity will be reduced over time.
F. The desired frequency of SDS updates is 12 months

3. Addendum Condition 3- see page 2

Addendum

Date: April 14, 2020
Subject: SDS Software-As-A Service Solution
Bid Number: 997700-2020
Due Date: 04/21/2020, 2:00 PM
Addendum Number: 3 (Page 2 of 2)

4. Addendum Condition 3

A. Option: FR028 - Trigger notifications for approval
   Clarification: PTC is seeking automatic notification to an administrator for review/approval of new chemicals/substances added to inventory by a user. This is an optional requirement.

B. Option FR029 - Customer Contact Center
   Clarification: PTC is seeking telephonic support 24/7 for SDS access when the electronic system may not be online or available. This is an optional requirement.

C. Option: FR030 - Multi language
   Clarification: The intent was for the user interface to be available in other languages. This is an optional requirement.

D. Option: FR031 - Training resources for handling and working with hazardous chemicals.
   Clarification: Training resources are not based on quantity. Quantity is related to the SDS capacity. The intent was for online training to be provided for handling and working with hazardous substances (i.e., OSHA’s Right to Know training). This is an optional requirement.
