SUNSHINE ANNOUNCEMENT

MS. EDMUNDS: THE COMMISSIONERS MET IN EXECUTIVE SESSION PRIOR TO TODAY’S FORMAL AGENDA SESSION TO CONSIDER MATTERS OF PERSONNEL, WHICH INCLUDEDED TERMINATIONS, A RECLASSIFICATION, PROMOTION, A NEW HIRE AND REQUESTS TO POST AND FILL POSITIONS IN THE MAINTENANCE DEPARTMENT.

THE COMMISSIONERS DISCUSSED Fay/Norwin v. PTC, Docket No. 3949 (Board of Claims), Yvonne Craddock v. PTC, Docket No. 4512 (Workers’ Compensation) and Judith Spokas v. PTC, Docket No. 5077 AND ENGAGED IN NON-DELIBERATIVE INFORMATIONAL
DISCUSSIONS REGARDING VARIOUS ACTIONS AND MATTERS, WHICH HAVE BEEN APPROVED AT PREVIOUS PUBLIC MEETINGS.

PUBLIC COMMENT

MS. EDMUNDS: THE PUBLIC IS WELCOME AT THIS TIME TO ADDRESS THE COMMISSION REGARDING ITEMS LISTED ON THE AGENDA OR OTHER ITEMS NOT LISTED ON THE AGENDA THAT ARE WITHIN THE COMMISSION’S AUTHORITY OR CONTROL.

IN ORDER TO CONDUCT AN ORDERLY, EFFICIENT, EFFECTIVE AND DIGNIFIED MEETING, ALL PERSONS WISHING TO ADDRESS THE COMMISSION SHOULD HAVE SIGNED IN AND REQUESTED TIME TO SPEAK. IF YOU HAVE NOT DONE SO, YOU ARE INVITED TO DO SO AT THIS TIME.

Commissioners we have one request to address the Commission. The Commission recognizes Raymond Vaughan.

We ask that you step up to the microphone, state your name, address, organization you are representing, if applicable, and the subject matter of your comments/remarks. You are to limit your time to three (3) minutes. Your comments/remarks shall be addressed to the Commission as a whole and not to any individual member of the Commission.

No person, other than members of the Commission and the person addressing the Commission shall be permitted to enter into the discussion. No questions shall be asked of Commission members, except though the presiding officer, who shall determine whether the question shall be addressed. Speakers shall avoid undue repetition of points previously presented to the Commission.

MR. VAUGHAN: My name is Raymond Vaughan; I live at 432 Ford Drive in Elizabethtown, PA. I am married, it’s my second marriage and I have two boys and a girl, all adults in their 40’s or more, one just celebrated his 50th birthday. Now, with that past me, since I’ve been living in Elizabethtown, I only have 3 minutes, so I need to keep it brief; I’ve observed in that area the Turnpike crossing over Route 743 leading to Hershey. It is approximately 6 miles to Hershey, 6 miles to Elizabethtown and I look at that and I believe we are missing something here in the state of Pennsylvania.

I took it upon myself to look around here for the last 4 years and finally got enough guts to come in here to talk to you gentleman to see if I could get you to at least look at that intersection and look at that particular spot for an economic development to stimulate the growth in this area. You have Hershey to the north, you have Dove chocolate, which is Mars Company; two very large chocolate companies in central PA. What can we do to help them? I have no interest in them, no stock in them, no employees of them; so I speaking directly from the gut. I ask you to look at that situation very, very seriously. I think it would be an ideal spot for what I would propose you to consider a limited access with only the E-ZPass use for that Interchange; not a regular toll, only the E-ZPass would get on and off that Interchange. So if you would look at that that is my sort of proposal.

If I have a minute left, I would like to ask you to consider, since you talked about new hires; I am former director of apprenticeship and training, you need to look at bringing apprentices onboard in the new hires. I think you will find out that, it’s quite lengthy to talk and I know you can’t do this at this

time, but consider that issue and I will be glad to come back at a time when you allow me more time to discuss that with you. So you put an apprenticeship on, you would save money, you would have a highly trained individual, you would have a training program in place. There are so many assets to look at that, you need to consider that. You need to change the way we do things in PA. The image the Turnpike has in the public, they would sell it tomorrow if they had the opportunity. So please consider the points, and I hope that you may look favorably on that idea and thank you for this opportunity.

MR. BIEHLER: Thank you very much, we appreciate it. We will consider those thoughts.

MS. EDMUNDS: This concludes the public comment section of the meeting.
