Chair Richards displayed the PA511 Connect Technology Award that Mark Compton accepted at IBTTA last week. This is the highest award that IBTTA bestows; and Mark noted that PA511 Connect has become the model for other agencies. Commissioner Wozniak suggested that the PTC may want to contact Amazon; they are in the search for a new warehouse location. Chair Richards mentioned that she was working on this and both Philadelphia and Pittsburgh have the demographics that Amazon is looking for. Mark Compton noted that the PTC would draft a letter to Amazon to entice them to look into Philadelphia or Pittsburgh as a possible location.
